About PlovDev

PlovDev is the largest IT conference in Plovdiv, organized by Proxiad Bulgaria for 8th consecutive year, which main goal is to gather IT specialists, and everyone interested in innovations in technologies every year to exchange knowledge and experience. The event dates since 2012 whereas it had more than 4000 visitors throughout the years.

All guest speakers are IT specialists with more than 10 years of IT experience, carefully selected by Proxiad Bulgaria team.

In the context of COVID-19 pandemic PlovDev 2020 is planned in a virtual mode - effectively allowing comprehensive attendance from every point of the world by overcoming the social distancing.
